

**USHFA<-2007-Resolution Re: Burden of Proof of safety for products regulated
by the FDA should rest with the FDA
Resolution 4**

**Burden of proof of safety or the lack thereof for products
regulated by the FDA, should rest with the FDA**

**2007 United States Health Freedom Assembly & Leadership Training
William Mitchell College of Law, St Paul, MN
October 12 – 14, 2007**

With the exception of industrial chemicals added to the food or drug supply, the burden of proof of safety or the lack thereof for any product regulated by the FDA should rest with the FDA.
